FULL-DAY TOUR KRKA WATERFALL AND ŠIBENIK FROM SPLIT OR TROGIR - SPLIT, MIDDLE DALMATIA

Skradinski buk - One of the most unusual and most beautiful landscapes of the Krka National Park. Roski slap - Especially interesting because of its small cascading falls called „Ogrlica“ - "Necklace" and intact nature around it. Panoramic view of Visovac and Primosten - known from postcards and guidebooks of Croatia! Town of Šibenik - city with a unique harmony between its urban part and natural surroundings, city of rich spiritual and material culture and tourist traditional identity. Cathedral of St James - most important architectural achievement from the 15th and 16th century on Croatian soil.
