

ALONG THE PATHS OF VLADIMIR HORVAT - ZABOK, CENTRAL CROATIA

We invite you to enjoy walking through the beautiful forests of the Medvednica mountain, near Zagreb, the Croatian capital.. After the meeting and the welcome, we'll teach you how to walk with sticks and go on a tour. The program begins at the Medvednica mountain on a trail that is not marked. The location of Horvat's stairs is difficult to find without an authorized mountain leader who guarantees the safety of guests. The lookout we will visit is located at 930 m above sea level, and the view extends to the whole of Hrvatsko Zagorje and there we will explain to the guests what they see.

Name: Along the paths of Vladimir Horvat

Duration of the excursion / tour / activity:: 1 to 5 hours

The product best describes the term: Outdoor and adventure

Product includes: playing sports, sightseeing, sightseeing of nature / natural beauties, nature park visit, guided tour

Brief description of the excursion/tour and highlights:

We invite you to enjoy walking through the beautiful forests of the Medvednica mountain, near Zagreb, the Croatian capital.. After the meeting and the welcome, we'll teach you how to walk with sticks and go on a tour. The program begins at the Medvednica mountain on a trail that is not marked. The location of Horvat's stairs is difficult to find without an authorized mountain leader who guarantees the safety of guests. The lookout we will visit is located at 930 m above sea level, and the view extends to the whole of Hrvatsko Zagorje and there we will explain to the guests what they see.

DESCRIPTION:

As we walk through the forest trails, we will tell you the story of the plants and animals that live in the Medvednica mountain and story of the narrow railway line that existed 100 years ago on the path we're going to walk. We will rest in an amazing place listening to birds and sound of a mountain stream. Here we will tell you the story of Vladimir Horvat, the builder of 500 stairs, the central location of our program. By passing through a smaller cave we will begin to climb the stone steps, which are reminiscent of alpine paths, with numerous natural stone forms and endemic trees black yew. As we go out on the mountain meadow, we'll stop and see the 300-year-old black yew tree. By mountain trails through the mixed forest we will return to the place of departure. We will stop at the lookout with amazing view of the whole of Hrvatsko Zagorje.

WHAT TO BRING / WEAR:

The Program includes the use of hiking sticks and backpacks with a bottle of water. The program needs suitable footwear-hiking or sports shoes (trekking, hiking, trail). The condition is lightweight and technically undemanding.
