The city Sports hall in Donja Stubica, where there is an artificial climbing rock, 12 m high on which there are 40 sports climbing routes of different weights.

### DESCRIPTION:

In the beginning we will warm up and stretch the muscles. We will inform you about the important safety rules for sports climbing. We'll show you and set up the necessary climbing equipment. We will teach you the basic climbing movements, how to use your own hands and feet and maintain balance on the rock. We will show you and learn how you will descend upon the rock after the climb. We will certainly advise you on how to overcome and free yourself from the fear of heights. We'll do it again a few times and we'll have a good time. At the end of the program we will share impressions and advise you on how to improve your climbing technique. We will certainly instruct you on how to safely become independent in sports climbing.
