DESCRIPTION:

Speed around the Dalmatian coast on an adrenaline-fueled speedboat ride. See beaches like Stiniva beach, landmarks like the Blue Cave, and go snorkeling in pristine blue waters. Meet your skipper and the group at the tour partner's office. Hop on the speedboat and enjoy a thrilling 90-minute ride from Split to Biševo Island. Head to the Blue Cave with its silvery-blue color, created by the refraction of sunlight entering through a crack in the stone. Get ready for the Blue Lagoon on Budikovac island. The beautiful clear sea, beach, and a small bar make this place a perfect place to take a swim or snorkel, laze on the beach, or stroll on the pretty island. The crew will provide you with snorkeling equipment. Head to the Pakleni islands, a group of small islands around the island of Hvar. The most popular is Palmižana which is located on Klement island. It is a sandy inlet in the shade of the old pines. Enjoy free time to have lunch, swim, snorkel, or explore the island. The final destination is the town of Hvar, Dalmatia's trendiest destination and an island with more than 2,500 years of rich history. Learn about its historical-cultural heritage and visit the fortress at the top of the town with views of the surrounding sea. Enjoy free time to explore the town and get lost in the small narrow streets. Explore the many charming bars and restaurants. To end your trip, hop back on a speedboat and enjoy the breathtaking beauty of the Adriatic sea while you cruise towards Split.
