The 90-minute program offers you a trip to Duga uvala and after that we will sail to one of the most beautiful hidden and inaccessible beaches in Istria called Vošćice, where guests will have the opportunity to swim in the crystal clear sea. After swimming, we return to the starting location in Raklje and enjoy the view and surroundings.

Our longest Jet Ski SPECIAL TOUR program, lasting 180 minutes, offers a trip to the south of Istria and will introduce you to the hidden beauties of the east coast, we sail all the way to the bay of Budava, known for its former military port, while now one of the most famous Croatian fish farms is located there , Cromaris. The next stop is Rt Marlera, where there is a lighthouse, and from there we sail to one of the most beautiful coves in Vošćica, where we take a break for swimming and a break from driving. After swimming, we continue riding the waves along the East Coast of Istria and beautiful beaches, and finally we return to the Raška Bay. This route leaves all visitors breathless because in those 180 minutes you can see the most beautiful coves of the east coast of Istria, which is why it is one of the MUST SEE attractions.
