DESCRIPTION:

This tour starts from meeting point on Riva in Šibenik, the seafront. You will have a pleasant ride from the medieval town Šibenik to our nearby islands accompanied by our skipper. On your request, we can arrange a local guide to join you on this tour. After 30 minutes ride with speed boat, you will come to Zlarin island which is known by its untouched nature, rich traditions and red coral. You can spend free time exploring the island, swimming, enjoying the sun or maybe visiting museum of red corals. If you want an authentic souvenir from Zlarin we advise you to visit a local jewelry shop where you will find beautiful jewelry made of corals. Prvić is next island you will be visiting. Island of Prvić has two villages: Prvić Luka and Prvić Šepurine. The boat leaves you in Prvić Luka and the lunch is also there but we would recommend you to take a short walk to Prvić Šepurine and enjoy one of the prettiest beaches on the island. You can have lunch in a restaurant before or after spending some time exploring the island, depending how you like it more. Don't forget, lunch is included in the price! The last island you will be visiting is the island of Tijat. This small, uninhabited island has one of the most charming bays where lot of boats like to anchor. There is popular beach bar where you can treat yourself with a coffee, tasty ice-cream or a cocktail. In the end, you can sum up all your impressions while our skipper takes you back to Šibenik.
