DESCRIPTION:

We start this half-day trip on the Šibenik waterfront, by boarding a speedboat. During the pleasant ride, the skipper reveals hidden bays and beautiful places for swimming and taking photos. If the guests want, they can go to the National Park, to one of the nearby islands or simply spend the whole day swimming and sunbathing - the decision is up to you! Depending on the time of departure, the duration of the excursion is about 12 hours, which is the optimal time for exploring the many beauties of the Šibenik water area and the surrounding islands. Watching the sunset on the open sea is also a unique experience. Trust us, the ride back will be filled with collecting impressions and enjoying the beautiful sights of Šibenik.
