

DUGI OTOK - BRBINJ, ISLAND OF DUGI OTOK

Two caves morning tour. In the video, you can see a glimpse of our morning tour starting from Brbišćica bay looks like. Yes, you got the title right, we take you to, not one, but two incredible natural caves. Fun fact: The bigger cave widely known as Golubinka is actually not Golubinka at all. We'll tell you more about it on the tour! The tour is intended for guests who are already on Dugi Otok because it takes place early in the morning and does not coincide with the boat timetable.
