DESCRIPTION:

A bike is an ideal way to explore Bol and the island of Brac. There is a network of marked trails on the island that you can follow, or we would be more than happy to suggest routes that will let you explore the hidden island away from the crowds.

We offer a new range of Specialized bikes which you can rent from us directly at Camp Aloa, or we will deliver them directly to you. We will bring the bike to you, along with a helmet and padlock. We then collect them from the same location at the end of your rental period. What could be easier?
